

CAFÉ AND VISITOR CENTRE

For the most unique and exciting Titanic experience in Belfast, visit the only intact piece of the great ship's legacy at the Pump-House Café & Visitor Centre.

Located inside the 100 year old Edwardian Pump-House, the Visitor Centre includes a full audio-visual experience, unlocking the history of Belfast shipbuilding from the 1600s through to the launch of the Titanic.

On display inside the Pump-House will be a range of original paintings and prints for purchase by leading Irish Artists such as Simon Meyler, Gavin Fitzsimons, Terry Bradley and Eoin O'Connor.

You can also take a walk along the Dry-Dock, purchase souvenirs or simply sit back and relax in the Café with a hot snack, sandwich or cup of coffee to make your visit to Titanic's Dock and Pump-House a truly memorable experience!

The Pump-House Café & Visitor centre can also accommodate a large array of functions from educational visits through to large corporate events. Telephone: **028 9073 7813** for further information.

EXPERIENCE THE SHEER SCALE OF THE TITANIC BY VISITING ITS ONLY PHYSICAL FOOTPRINT IN HISTORY!

Discover the story behind Belfast's maritime magic at the site of the Thompson Dry-Dock and Pump-House, once the beating heart of Harland & Wolff during the construction of the great White Star Liners – the Britannic, Olympic and most famously, the Titanic.

Learn how this feat of Edwardian engineering worked, brought to life through state-of-the-art animation, and discover what it was like to work in the bottom of the Dry-Dock from our very own 1911 Apprentice!

SEE THE TECHNOLOGY THAT ENABLED BELFAST TO BUILD THE WORLD'S BIGGEST SHIPS!

Marvel at the mighty Thompson Dock – the dock that superseded the neighbouring Alexandra Dock as the largest dock in the world at the start of the 20th century.

Gaze upon the awesome caisson gate, powered by the world's largest capstans.

Hear the powerful pumps in the Edwardian Pump-House through our fully integrated sound and light show.

SEE BELFAST'S SHIPBUILDING PAST BROUGHT TO LIFE!

Interpretative panels, archive film footage, and computer generated imagery tell the story of the people, the ships and the technology.

Let our Guided Tour take you through this maritime marvel and follow the scale trail along the dock to find out just how big it really is!

TITANIC GUIDED TOURS

Seven days a week at 12.30pm and 2pm with an additional 3.45pm tour during June, July and August.

Our tour guide will give visitors an in-depth understanding of the story of the dock, visiting inside the Pump-House, and will walk along the full length of the dock to truly comprehend the size and scale of the Titanic, where they can also view the mighty caisson gate. Our unique audio-visual in the Pump-House features original footage alongside detailed computer generated imagery of the Titanic, and our ghostly Apprentice tells his own story of life working in the dock.
